AOTS operates successfully as a result of its members participating in events and lending their time to support the activities.

Below is a brief description of our various volunteer committees and its responsibilities. Please review each of them and indicate your 1st, 2nd, and 3rd choices in the boxes for which you'd like to volunteer. If the committee is full, you will be assigned to your next choice. You may keep a copy of this page as a reference but remember to send one with your numbered choices checked along with your completed application.

- 1. Publicity Team – Be involved in the promotion and advertising of all AOTS events via printed publications, web, and social media. Help ensure we are getting the word out about our events.

Participating artists are required to distribute advertising materials and place road signs for the studio where they will be exhibiting.
